

REPORT ON TEACHERS TRAINING WORKSHOP

UCW organized A Workshop on Teacher's training in collaboration with Institute of International Teachers Training on 22nd August, 2017 at ESRA Hall from 2.00 pm – 4.30 pm.

The training session aimed at improving the communication skills and abilities for better expression needed for Montessori, pre-primary and primary school teachers. More than 200 students participated actively in the training session. The participants were made to write and explain their ideas on various innovative topics.

The session was very useful and motivated many students to further take up courses to improve their communication skills and also to become good teachers.
