UG-STUDENT INDUCTION PROGRAM

21ST TO 23RD OCTOBER 2021

Prof. M. Vijjulatha, M.Sc., Ph.D.

Principal's Message

Greetings to all!

With immense pride, I announce the beginning of yet another year with over 1000 enrolments in the First Year Degree Course for B.A./B.Sc./B.Com Streams. As per UGC guidelines, the College has organised a 3-day Induction Programme for the Fresher's this year. Under the leadership of the SIP coordinator, Ms. Saileja Sevela & Team and perfect coordination by various faculty members, a well chalked out programme was drawn with intent of getting the freshers acclimatize with the college, the courses and warm up to the environment, to step into their new academic world with confidence.

"Life is an exam where the syllabus is unknown and question papers are not set. Nor are there model answer papers."

Sudha Narayana Murthy

Degree First year is a major transition from the sheltered life of School and Junior College to an open world of university. This sudden change can be unnerving for the young minds and, what better way than to iron out their confusions through a week-long Induction where they can informally familiarise themselves to the college environment and faculty, make new friends, learn new things, listen to guest lectures, have fun activities like yoga, games etc., without the pressure of academics. In short, they learn to love the diversities that they have been exposed to, and develop a preparedness to take on the challenges. I congratulate the SIP team for smoothly conducting the induction and my best wishes to young girls standing on the threshold of a bright future. To quote Martin Luther

"The roots of education are bitter, but the fruit is sweet."

Aristotle

Dr.M.Kavitha

Vice Principal's Message

It gives me immense pleasure to be a part of the Student Induction program, from 21st – 23rd October 2021 organized by University College for Women, Koti, Hyderabad.

Student Induction is designed to help in this whole process, to welcome new students to higher education & prepare them for their new role. I am sure, this one-week Induction program, well designed with small group activities, physical, creative, literary & extracurricular activities and lectures by eminent personalities will help the students acclimatise with the new surroundings, develop bond with fellow students & teachers, develop sensitivity towards various issues of social relevance and imbibe human values, to become responsible citizens.

"Education is the movement from darkness to light."

Allan Bloom

I appreciate and congratulate Ms. Saileja Sevela & Team, Co-ordinator SIP & all the members for their effort & hard work put into the design & conduct of the program. I wish the program a grand success.

REPORT ON THE INAUGURAL SESSION ON 21ST OCTOBER AT ESRA HALL

Day 1: Forenoon (session-1)

Session coordinator: Dr. KSN. Jyothi, I/C Head, Department of Genetics & Biotechnology.

The inaugural session for the SIP was conducted on 21st October 2021 at Esra hall.

The session was conducted by Dr.KSN. Jyothi, I/C Head, Dept of Genetics & Biotechnology. Principal, Vice principal and all the coordinators, Heads of all the departments were present for the session

Prof. M. Vijjulatha, Principal, Dr. M. Kavitha Vice-Principal, Dr. Lokapavani, IQAC coordinator, DR.P.Aruna, UGC coordinator, began the session by lighting the lamp followed by prayer song by Dr. Rupasree of Genetics department. Dr.KSN. Jyothi read the brief profile of the college in the welcome address

Prof. M. Vijjulatha, Principal, UCW addressed the students. She spoke about the importance of attendance, time management and being responsible for the heritage buildings of the college.

Dr. M. Kavitha, Vice Principal explained various rules and regulations of the college. She highlighted on the process for scholarships, hostel admissions and other important criteria needed for the students.

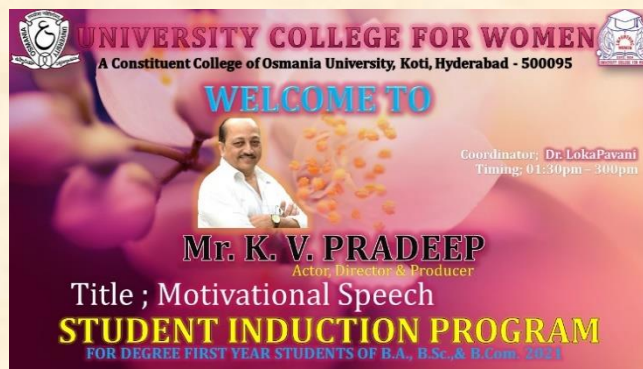

Dr. Lokapavani, IQAC coordinator explained about the significance of feedback forms which are crucial

for maintaining the quality standards of the college. Dr. P. Aruna, UGC coordinator and in-charge of Heritage club explained about the historic importance of the college and the need to safeguard the heritage of the college.

Day 1: Afternoon (session-2)

Session coordinator: Dr. Lokapavani, Assistant Professor, Department of Mathematics.

Speaker: Mr.K.V.Pradeep

Dr. B. Shailaja, Controller of Examinations and Dr. Premaltha, Academic coordinator explained the students about the examination pattern, attendance and other related issues. Dr. Krishna Chaitanya, Joint Director, CP&AS wished the students to do well in their graduation. Dr. V. Shashikala, Placement officer gave the statistics of the placement at the college and motivated the students to enrol for the placement office. Mr. Krishnaji Rao, PRO of the college motivated the students to give their best during the stay in the college. Heads of all the departments introduced themselves and spoke about the highlights of their departments.

Mr. K. V. Pradeep, film personality addressed students. Sir motivated the students and told them to respect their parents and teachers. Sir also told them about how to perceive a problem from a larger perspective by zooming out. He also told them the importance of believing in themselves and achieving their goals. Sir also said to the students' the importance of themselves. Sir motivated them by saying that they are unique in your own way. He motivated the students to excel in study and career. Sir is a source of motivation to students gave encouraging examples from his own life and inspired students to be a self-motivator. Sir's session helped students to be guided by a positive mind and driven by self-motivation. Students were very happy and excited after sir's lecture. More than 10 students came on to the dais and shared their feedback on the stage.

Speaker: Session on Tally.

Mr. Gurumurthi took a session on tally and said that Tally is very important software in terms of monetary applications and accounting systems. It covered that Tally is an important tool in calculating monetary terms, accountancy, tax and GST calculating, managing commercial transactions effectively and efficiently. Sir also said that Tally helps to manage all your data in a proper way and can be efficiently accessed when ever needed.

Session on Clubs: Club coordinators interacted with the students. Addressed By Commerce Club Coordinator Dr. Sabiha and Dr. Nazia sultana, Cultural Club coordinator Dr. Rupashree Mukhopadhyay, Ms.Sangeetha and Ms. Karuna, Eco and Science Club, Ms. Manju, Dr. Poornima, Dr.Shruthi Kabra,

Day 2: Forenoon (session-3)

Session Coordinator: Mrs. T.S. Savita, Assistant Professor (C), Department of Computer Science.

Speaker: Mr. Asif Qureshi

Mr. Asif Qureshi addressed the young minds how to plan and build a positive attitude for a better career. Mentioned about how to analyse what is good and what is better. Sir focused on making the students build positive ‘self- esteem ‘and discover their true potential. It covered the key elements required for a student to be successful in academics and later life. He gave some most beneficial points and tips to the students to concentrate on studies and achieve their goals. After the session, students felt much benefited with the session.

Film and Photography Club by Mr. Krishnaji rao and Dr. Rohini, Heritage Club Dr. P.Aruna and Dr. K.S.N.Jyothi. All the club coordinators mentioned the importance of each and every club and explained the procedure for joining the clubs.

Day 2: Afternoon (session-4)

Session Coordinator: Dr.KSN.Jyothi, I/C Head, Department of Genetics & Biotechnology.

A session for familiarizing the Fresher's with the co-curricular and extracurricular activities of the college was conducted by all the student advisors on the 2nd day of the SIP.

Dr.KSN. Jyothi, Dr.Rupasree and Dr.Rohini Chintha from Dept of Genetics & Biotechnology, Dr.Varija Rani from Dept of Telugu, Dr. Shruti Kabra from Dept of Food and Nutrition, Ms.Sangeeta from Dept of English, Ms.T.S.Savita from Dept of Computer science, Dr.Deepthi from Dept of Psychology, Dr.Karuna from Dept of Sanskrit, Ms.Srilakshmi from Dept of Commerce were all part of the session.

To familiarize the students with the magnitude of activities and competitions that take place all through the year at the college, the student advisors planned many activities during this session. To dig out the

talents of the students, activities related to singing, dancing, storytelling and extempore speaking were held during this session. There was an overwhelming response by the students, and they were very excited to take part in all the club activities and competitions to be conducted in the college.

Day 3: Forenoon (session-5)

Session Coordinator: Dr. G. Vijaya Lakshmi, I/c Head, Department of Chemistry, UCW.

Speaker – Mr. Ganesh Balakrishnan

Mr. Ganesh Balakrishnan, Office Managing Partner at Delloitte Haskins and Sells, Hyderabad Office, began his lecture suggesting that Education is not important, understanding the significance of the education and learning in one's life is important. Motivation in life comes from daily conversations, sharing experiences of life with each other and from real people around us. Social media is to connect people and communicate rather than becoming slaves to it. Sir also opined that self-discipline, self-

motivation and self-belief are the key pre-requisites for a successful career which are

food supply which caused food shortages, concern of food safety and food hygiene and health issues.

one's intrinsic abilities. In the end, Sir suggested students not to waste food and not to carry ego.

The session was very inspirational and interactive wherein many students have shared their stories which focused their journey from failure to success.

Speaker – Prof. C. Anjali Devi (Retd).

Topic – Food and Hygiene during Pandemic situation

The only solution to all these issues is to have Balanced Food and maintain Hygiene. Madam also discussed about the deficiencies of diet which causes malnutrition (under nutrition) and over nutrition apart from causing low immunity. Thus, the speaker highlighted the importance of food and Hygiene especially in a pandemic situation.

Day 3: Afternoon (session-6)

Session Coordinator- Mrs. D. Mayuri, Assistant Professor(c), Department of Business Management, UCW.

Session on NCC/NSS/SPORTS.
