We people celebrated it for two days [i.e., on 16/8/2019 and 17/08 2019]. On 16/08 2019 we people gathered at silent zone where we all participated actively in compititions such as elocution, painting, quiz, essay writting and sloggan writting.

On 17/08/2019 we people made a move for a rally on the theme AIDS Awareness and made it a super successful move with our chief guests, organisers, staff, PO's and suportive students. On the same day we people gathered in seminar hall in our college. We welcomed Dr. Anna Prasanna Kumari, and Dr. Alivelu as chief guests and Mr. Narasimha, M.V.Ramana and Vinaya as organisers.

We all got inspired by the motivational speeches given by our chief guests followed by prize and certificates distribution for the who have participated in compititins.

As youngsters not only participating we have learnt many things by this seminar and rally. We people got motivated to motivate others abouot AIDS awareness. We people consider it as our responsibility to make people aware and make our society and surroundings more healthier.
