

About the University

*Veeranari Chakali Ilamma Women's University (VCIWU) is the first Women's University in Telangana, established on 22 April 2022 by the Government of Telangana. It was formed by upgrading the historic University College for Women, Koti, a pioneering institution in women's education established in 1924 under Osmania University.*

*Located in the iconic British Residency campus at Koti, Hyderabad, spread across 42 acres on the banks of the Musi River, the University blends a rich academic legacy with modern educational excellence. Recognized by the University Grants Commission under Section 2(f) in March 2025, VCIWU is empowered to award degrees and expand its academic vision.*

*The University offers 41 undergraduate, 22 postgraduate and 2 diploma programmes across both conventional and emerging fields including Data Science, Food Science, Fashion Design & Technology, Business Analytics and Medical Lab Sciences. With a vibrant academic ecosystem serving over 6,900 women students, supported by highly qualified faculty, effective administration and modern infrastructure, VCIWU is committed to women's empowerment, academic excellence, innovation and social progress.*
